INFORMATION DISCLOSURE STATEMENT

COMMISSIONER FOR PATENTS
Washington, D.C. 20231

In accordance with 37 C.F.R. §§1.56, 1.97 and 1.98, Applicant wishes to make of record the enclosed items, as listed on the accompanying Form PTO-1449. Applicant respectfully requests the Examiner to fully consider the items and independently ascertain their teaching before issuance of the next action, and to make them of record in the file. The Examiner is also requested to initial and return a copy of the enclosed Form PTO-1449 to evidence such consideration.

This is a resubmission of three references originally brought to the Examiner's attention in an IDS filed November 21, 2000, which noted that copies of these three references were previously submitted to the Office in application serial no. 09/239,194, filed January 28, 1999, Yates et al., Executing Programs for a First Computer Architecture on a Computer of a Second Architecture. Nonetheless, these three references were crossed off of the Form 1449, without review. As a courtesy to the Examiner, copies of these three references are now enclosed.

It is believed that no fee is due, because both the references and the '194 application were properly identified in the prior IDS, and the '194 application is relied upon for an earlier filing date under 35 U.S.C. § 120. It is believed that these three references were properly entitled to consideration under the fee paid with the November 2000 IDS.

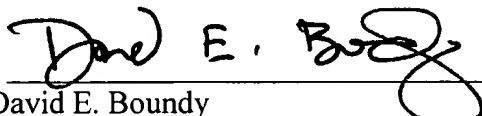

I certify that this correspondence, along with any documents referred to therein, is being deposited with the United States Postal Service on August 21, 2001 as First Class Mail in an envelope with sufficient postage addressed to The Commissioner for Patents, Washington D.C. 20231.

In the event that a fee is determined to be due, be please charge the fee, or credit any overpayment, to Deposit Account 50-0324, Order No. 30585/16.

Respectfully submitted,
